We cordially invite you to participate in two days national level webinar on “ New Education Policy - 2020:Challenges and opportunities for Higher Education” on 12- 13 November, 2021.

About Jajee Foundations' (R)

The Jajee Foundation was established by a great visionary, philanthropist, educationist and social reformer Shri. Vijaykumar Jajee, in the year 2001 Gurukul group of educational institutions aims to provide quality education with a vision **“To emerge as an institution of global excellence, preparing youths for global competitiveness and contributing towards enhancing human happiness index and nation building activities”**

Gurukul Independent PU College - Science and Commerce and Gurukul Public School are the sister institutions. Today, it caters the expectations of thousands of students and provides employment to more than 150 members, who have been contributing for preparing future doctors, engineers and business leaders of future India.

About Gurukul Degree College

Gurukul Degree College was established in the year 2010 with a professional programme BBM and introduced B.Com programme in the year 2013 under the dynamic leadership, noble direction and magnificent contributions of Shri. Vijaykumar Jajee, President of Jajee Foundations Kalaburagi. The College started with 12 students and today it has grown as an institution of first preference of students intending to make their career in commerce and management. The college provides every facility for the all round development of students specially add on courses like spoken english, Accounting Software classes, Banking and PG CET coaching, free of cost.

So far we have 16 university ranks and four university blues. The NSS and Red Cross Unit in the college promotes social responsibility of students.

The college has been selected as the “Best Campaigner” of digital financial literacy campaign - 2017, and was awarded by the then MHRD Minister Mr. Prakash Javadekar .

About the Webinar :

The two days webinar with a theme of **“New Education Policy - 2020: Challenges and opportunities for Higher Education”** aims to provide a platform to enrich and equip all stake holders with the New Education Policy - 2020 How best it can be implemented in shaping the future of young generation in the process of building strong and smart India. It is further expected to contribute for SDG-4 of UNO.
