Gurukul Degree College & Gurukul College of Management REPORT

**Industrial Visit
BSC**

**Indian Trading Stock Exchange Company
9th March 2020**

The objectives of the practice followed by the Institute are:

- To help student gain practical knowledge
- To keep students update on the latest trends in the industries.
- Theoretical knowledge of the students is reinforced with practical knowledge.
- Students become Industry ready and Industry acceptable.

On 09th of March 2020, 60 students of Second and Third Year BBM and B.Com along with 5 faculty members of Gurukul Degree College . We left our college at 7:30 am and reached BSC

Indian Trading Stock Exchange Company by 10:30 am. We travelled in a comfortable bus with 60 students and five teachers.

All in all there were 42 students of second and final year B.Sc Chemistry, who actively participated in the visit which was successfully coordinated by Dr. S. Rathakrishnan and Dr. A. Hari Krishnan. A brief introduction about industry was given by Mr. Prasath. Firstly we were taken to gowning room separate for male and female and provided with gowns and caps, several posters were there instructing proper gowning procedure. The first department that we visited was raw material and packaging material warehousing area where we got to learn how the raw and packaging materials are stored and labeled and we have seen different types of labels with different colors fixed on containers indicating its batch number, lot number, issue date, expiration date, retest date, and storage conditions. Then we were taken to dispensing area where we got to know about the procedure for dispensing of raw and packaging material according to given MRO (material request order) provided by production area. The next area we visited was washing area where different equipment were washed according to developed cleaning procedure, we were informed about cleaning and validation procedures. After that we visited granulation area where we saw different granulation equipment such as rapid mixer granulator, fluidized bed drier. Furthermore, we were also informed about different steps used during granulation such as shifting, sizing, drying etc. Different types of granulation process were used like wet granulation and dry granulation. Meanwhile we got to know about how the sampling have been carried out for IPQC test and what different kind of analysis techniques they were using.

To,

The Manager

Adlabs AquaMagica

We from the Gurukul College of Management/ Gurukul Degree College are one of the premier institutions offering quality degree education to the aspiring students.

In order to make the Degree programme more relevant to the needs of the business and industry project reports, industrial study tours to different organizations are conducted.

As per your approval for allowing us to visit the AquaMagica park and as a part of our conversation through the email, 50 members including the students and staff members were scheduled to visit the Aqua Magica water park on the scheduled day and time.

We from the Gurukul Degree College are grateful and thankful for your kind gesture for allowing us to visit Aqua Magica Water Park,

As per the schedule we have arrived at your place at the scheduled time.

We are hopeful that we will have a good time, comforting and secure. We are hopeful that we will have a wonderful experience of entertainment at Aqua Magica Water Park which would be memorable throughout the lifetime.

We are hopeful that the employees at Water Park will be considerate and offer their fullest cooperation to us throughout the stay at the Aqua Magica Park,

We are ensuring that all the 50 members would maintain utmost discipline at the water park,

We are sure that when we return to your city, we will certainly enjoy the entertainment at the Aqua Magica Water Park,

Looking ahead for a wonderful experience filled with entertainment and joy!!!

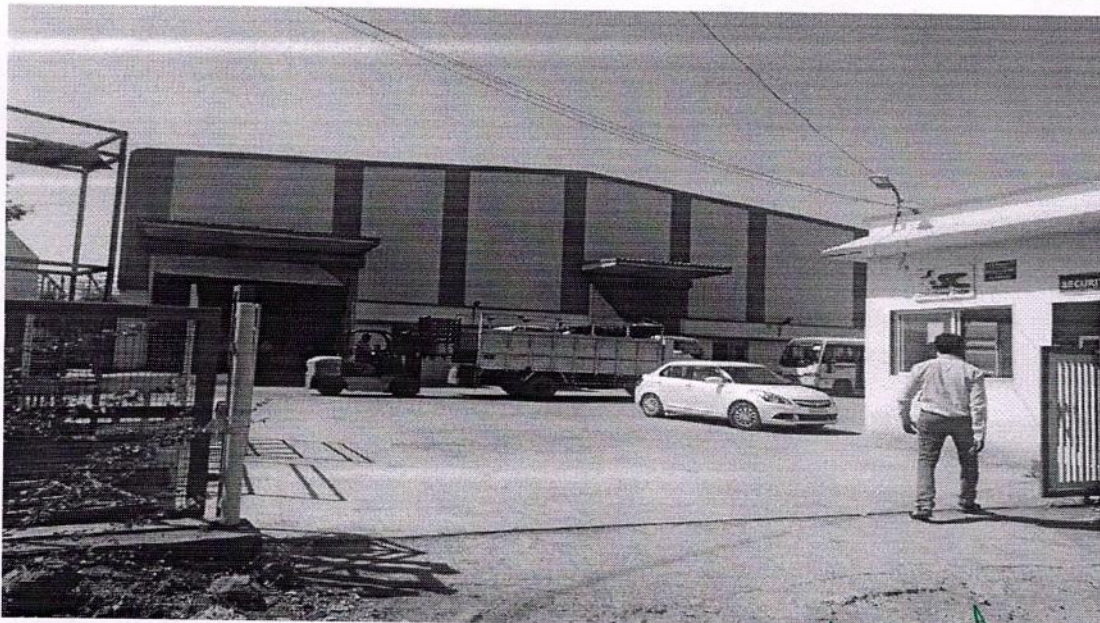

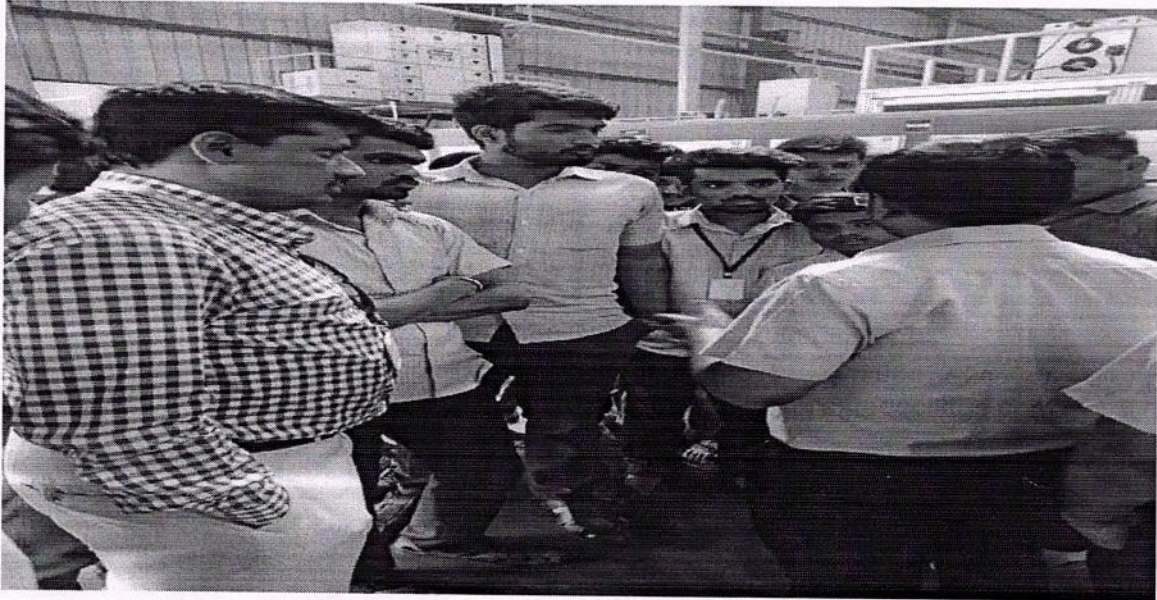

We remain thankful to one and all.
